FIELD TRIPS FOR THE VERY YOUNG

Information

Thank you for your interest in the Lynden Sculpture Garden's Field Trip program. The Sculpture Garden provides a unique experience of art in nature through its collection of more than 50 monumental sculptures sited in 40 acres of park, lake and woodland.

Availability

Field Trips for the Very Young at Lynden are designed for groups up to 30. If you have a larger group, please contact us. (One adult chaperone per 5 students is required.) Summer field trips are offered June-August; winter field trips are offered November-March.

Fees

\$7 per child (there is a \$90 minimum for groups under 15). This includes admission, activities, and all materials. Adult chaperones are admitted free. Scholarship assistance available.

Stay for Lunch

The Lynden Sculpture Garden does not have indoor lunch facilities, though visiting groups may enjoy our outdoor picnic area for bag lunches. The picnic area is located under a grove of tall pines just off the parking lot with restrooms and a drinking fountain nearby. Picnic tables can accommodate up to 80 students. If you are planning to picnic, please check with us to make sure the area is available.

Special Needs

When requesting a trip, please indicate your need for any specialized information or assistance for your children. There are very few paths at the sculpture garden. If you have any questions about accessibility, please contact the Naomi Cobb by e-mail or phone.

How to Register

Advance registration is required. Availability is limited, and reservations are preferred at least six weeks in advance. Please return the enclosed form to Naomi Cobb at the snail mail or e-mail address above, or fax to 414-446-8492. Every effort will be made to confirm your reservation as quickly as possible; confirmation is dependent on educator availability. You will receive additional information on payment, parking, cancellations, visitor guidelines and what to bring when your visit is confirmed.
