SHULLY'S CUISINE & EVENTS AT LYNDEN SCULPTURE GARDEN

Located on the private estate of the late Harry Lynde and Peg Bradley, the property exhibits 55 works of three-dimensional art of the Bradleys' private collection on 40 acres of little lakes, wooded paths, gardens, and meadow.

The home can accommodate 70 guests for a sit-down event, and 150 for a standing reception in the downstairs gallery and enclosed terrace. For additional space, a tent on the grounds could house 250 guests. The building also has smaller, conference-size rooms. The facility is perfectly suited for nonprofit groups, private social, and business events. Weddings or receptions, graduations, teen birthday parties, or B'nai Mitzvot are not permitted. Outdoor events must conclude by 9:30pm.
