

REGISTRATION FORM

Please complete one form per participant. Additional forms available on our web site: lyndensculpturegarden.org

Registration Policies: Enrollment is limited, please register early. Camps are filled on a first-come, first-served basis. You will receive a confirmation packet via email with additional information.

Cancellation Policy: If a camp is filled to capacity, or cancelled due to low enrollment (this will be determined 14 days prior to the first day of a camp), your registration fee will be refunded in full.

Refund Policy: If you choose to withdraw at least 14 days prior to the start of the camp, a refund will be issued, less an administrative fee of \$25. No refunds will be made after this period.

SUMMERART CAMPS 2012

Lynden's two-, three- and five-day camps for children aged 4 to 14 integrate our collection of monumental outdoor sculpture with the natural ecology of 40 acres of park, ponds, and woodland, creating a unique hands-on experience of art in nature. Camps feature environmental programs, visiting artists, and the opportunity to explore a wide variety of art media in our art studio. Each camp concludes with an informal showing for family and friends.

We are offering several new camps this summer, including an *Instrument and Art Exploration Camp* in partnership with the Wisconsin Conservatory of Music and a French camp, *Les P'tits Artisans*, in partnership with the Alliance Française.

Join us for a summer of art in nature!

Garden Animals

June 13–15 | 9 am–3 pm

Ages 6–8

\$165 / \$135 members

Explore the role that animals play in art as we uncover the Lynden Sculpture Garden's collection of animal sculpture and discover how animals are viewed in other cultures. Create sculptures of your favorite animals in a series of studio projects.

Sculpture: Idea to Object

June 18–22 | 9 am–3 pm

Ages 8–12

\$270 / \$225 members

How does an artist move from an idea to a finished work of art? We'll learn about materials and techniques used by artists in the Lynden Sculpture Garden collection and investigate artistic processes through hands-on studio projects. Discover your own creative process as you unlock your ideas!

Tree House

July 2–3 | 9 am–3 pm

Ages 6–11

\$110 / \$90 members

Imagine a tree house...then spend two days using wood, paper and clay to construct one of your own. With a focus on creative invention, we'll help you design a miniature hideaway for your imagination.

Earthworks

July 9–13 | 9 am–3 pm

Ages 10–14

\$270 / \$225 members

Art and nature are central to this week-long workshop inspired by artists whose work is connected to the environment. Using the materials we find onsite, we'll construct and document earthworks in Lynden's natural areas, weave willow reed baskets, and make sculptures from pond algae pulp.

Art | Elements

July 16–20 | 9 am–12 noon

Ages 6–8

\$135 / \$113 members

Knowledge plus caring equals responsible choices for our environment. Learn about sustainability through environmentally-based art projects. Earth, fire, wind, and water: each day we'll interpret a new element through an art activity.

Puppets with Sally Duback

July 23–27 | 9 am–12 noon

Ages 8–12

\$135 / \$113 members

Join Teaching Artist-in-Residence Sally Duback for a puppetry workshop that culminates in the performance of an original puppet play. We'll explore Lynden's grounds in search of natural objects to combine with recyclables and other compelling materials to make a variety of hand and pole puppets. We'll write a script for these puppet personalities, make scenery for the theatre and, at the very end of the week, mount the play for our families and friends.

Table Top Sculptures

July 30–August 1 | 9 am–3 pm

Ages 7–9

\$165 / \$135 members

Budding sculptors take a look inside the creative process, starting with Lynden's sculpture collection. We'll explore the methods, materials, and ideas artists use to create sculpture, and we'll make table top sculptures inspired by Mark di Suvero's assemblages, Marta Pan's floating sculpture, and Deborah Butterfield's use of natural materials.

Orange

August 2–3 | 9 am–3 pm

Ages 6–8

\$110 / \$90 members

What is your favorite color? *Orange* you glad it doesn't have to be orange to join us for two days of games and studio projects based on the color orange? We'll be looking at the ways Lynden's sculptors use color and making some colorful projects of our own. Who knows, we may even find something that rhymes with orange!

Les P'tits Artisans

In collaboration with the Alliance Française

To register, contact the Alliance at afmilwaukee.org or 414-431-0943.

August 6–10 | 10 am–12 noon

Ages 4–12

\$170

Immerse yourself in creative projects inspired by French songs and stories—all while learning French! You will experience the French-speaking world while making new friends and acquiring new concepts about the world through language. No prior experience of French necessary, but all levels welcome.

Instrument & Art Exploration Camp

In collaboration with the Wisconsin Conservatory of Music

To register, contact the Wisconsin Conservatory's Student Services department at 414-276-5760 or at www.wcmusic.org. The registration deadline for this camp is July 30.

August 13–17 | 9 am–4:15 pm

Ages 6–11 (entering grades 1-5)

\$300

Join us for five full days of instrument investigation and art exploration. Each morning starts at the Wisconsin Conservatory of Music's Bayside location (Audubon Court, 333 W. Brown Deer Road) for group instruction on instruments: piano, harp, guitar and a musicianship and rhythm skills class. At midday we will travel to Lynden for lunch and a good stretch before resuming instrument sampling with Conservatory faculty on voice and an art activity that will introduce students to Lynden's animals: both the sculptures and the living inhabitants. Students will explore the connections between art and nature each day as they create animal-inspired art, and learn a few animal songs, too. No experience necessary.
