

Adult Classes & Workshops

Watercolor at Lynden

September 28 - November 16

Fridays, 10 am-12 pm

(7 sessions; no class October 26)

Instructor: Jeremy Stepien

\$168 / \$140 members

In this introduction to the basics of transparent watercolor, I will demonstrate techniques and introduce approaches to composition that will strengthen your method. We'll be taking advantage of Lynden's natural areas, painting in the garden whenever possible. This class provides an open learning environment for beginners or those looking for a weekly studio painting opportunity. Some drawing experience helpful, but not required. Supplies included, though you're welcome to bring your own.

Workshops

For complete details and registration forms, visit lydensculpturegarden.org

Eight-Week Fall Session

Tuesday classes run September 25 - November 13

Wednesday classes run September 26 - November 14

Thursday classes run September 27 - November 15

Friday classes run September 28 - November 16

The Lynden Sculpture Garden offers studio classes for young people in eight-week sessions from September through May. These classes focus on three-dimensional artmaking—though we will also do plenty of painting, drawing and collaging—and make use of Lynden's special resources: the collection of monumental sculpture and 40 acres of park, lake and woodland. Taught by experienced art educators, classes combine creative expression with an age-appropriate understanding of media, processes and techniques. See reverse for adult classes and workshops.

Explorers' Studio: Environments

Tuesdays, 4-5:30 pm

Ages 6-9

\$138 / \$114 members

Young artists are inherently motivated to engage in self-directed exploration. This class introduces a new range of materials, processes, and tools, then asks students to apply them to our session theme—environments. Emphasizing freedom to explore processes and materials, we'll work on projects individually and as a team. We will be carving buckthorn walking sticks, building a citadel in the garden, and investigating scale with miniature sculpture garden terrariums.

Sculpture: Materials and Processes

Wednesdays, 9:30-11 am – Ideal for homeschoolers!

Thursdays, 4-5:30 pm

Ages: 8-12

\$138 / \$114 members

The process of making sculpture is a mix of creative invention and learned technique. Drawing on Lynden's collection we'll explore the methods, materials, and ideas that artists use to create sculpture. Projects include casting candles from clay forms and felting merino wool vessels. Deepen your understanding of three-dimensional artmaking as you develop your artistic voice.

Garden Animals

Wednesdays, 1:15-2:15 pm

Ages: 4-5

\$92 / \$76 members

Taking Lynden's collection of animal sculptures as one starting point, and stories about animals as another, we will use paint, clay and mixed media collage to explore our favorite animals.

Coracle Craft: A Boat-Building Workshop for Parents and Children

3 Saturdays, September 22 - October 6, 12:30-4:30 pm

For ages 11-15 accompanied by an adult

\$200 adult + child / \$175 members;

Additional child is \$50

The coracle is a lightweight, shallow-draft fishing boat that floats on the water like a cork. Join us for an outdoor adventure as we use the materials at hand and traditional construction methods (the coracle dates back thousands of years) to: weave a willow frame, skin the boat with canvas, and carve a paddle. Friends and family are invited on the final Saturday to watch as we test our coracles' seaworthiness in a voyage across the small pond. This is a collaborative workshop, with each parent/child team building their own coracle. Watch our calendar for weekend family workshops throughout the year.

School's Out Workshop

Solar-Powered Sculptures

Friday, October 26

9 am-4 pm (early drop-off and late pick-up available)

Ages: 6-11

\$50 / \$45 members

Blending science and imagination, you will spend the day designing a kinetic sculpture powered by the sun. Working with a solar panel and a small electronic motor—and a variety of sculpture materials—you'll discover ways to make your artwork move.

Sibling / Buddy Discount

Register for a studio class with a friend or sibling who is new to Lynden and you each receive a \$10 discount. Registrations must be submitted together; students do not need to register for the same class to receive the discount.

Financial Aid

Financial aid is available; awards are based on need.

Registration Policies

Enrollment is limited, please register early. Classes are filled on a first-come, first-served basis. You will receive a confirmation via email with additional information.

Cancellation Policy

If a class is filled to capacity, or cancelled due to low enrollment, your tuition will be refunded in full.

Refund Policy

There is a \$15 administrative fee for all refunds. No refunds are given after the first day of class.
